Our Vision

MACC's vision is that all Twin Cities metro area communities thrive and have ample community building assets

Our Mission

Unleashing the collective power of communities to build their own futures

MACC Alliance of Connected Communities

is a strategic partnership of 27 community organizations that have joined together to leverage their collective resources and voice. This unique alliance honors the individual identities and histories of its member agencies and forges innovative partnerships among members and with nonmember agencies, businesses and leaders. MACC members share the goals of serving individuals, families and various communities that are defining the future.

Who We Serve

MACC members serve more than 350,000 people annually. Of these:

- 85% are low-income
- 70% are people of color
- About 35% are new Americans or recent immigrants, served by all MACC members

The population we serve speaks over 20 languages. MACC members employ over 1,000 people and have combined annual operating expenditures of over \$70 million.

Our Model

MACC was formed in 1999 and is a 501(c)(3) nonprofit organization.

Now with 27 member organizations, ***MACC is a model for development of new thinking and mutually productive initiatives within the Twin Cities' nonprofit sector.***

Our Goals

1. To build and leverage relationships.
2. To create assets and tools to amplify community voices.
3. To transform the way the social sector does business.
4. To nurture a new generation of leaders who grow up in a culture of collaboration.
5. To grow a healthy economic foundation for community centers and communities.

Our Values

- People are assets, not deficits.
- Broad, holistic, neighborhood-based services.
- Long-term relationships are beneficial.
- Participation from the community is crucial.
- Everyone has a contribution to make.
- We build reciprocal relationships.
